

Litigation

WINNING STRATEGIES. WINNING CASES.

For 100 years, local, regional and Fortune 500 companies have turned to Gresham Savage litigation for one reason: we win. The firm is widely viewed as Inland Southern California's premiere choice for litigation services, and our attorneys achieve exceptional results.

We understand the serious impact major litigation can have on a company, and help our clients avoid it when it is in their best interest to do so. In such cases, our winning reputation enables us to negotiate favorable settlements on their behalf.

Recent examples of significant litigation successes include:

FAVORABLE TRIAL AND ARBITRATION RESULTS

- Obtained judgment saving mutual water companies hundreds of millions of dollars in future infrastructure relocation expenses being imposed by a city
- Secured landmark approval in both trial and appellate court for a 1.25 million-square-foot retail center, despite opposing claims of environmental damage
- Obtained summary judgment and more than \$300,000 in attorneys' fees for a developer in a multi-million dollar lawsuit brought by a commercial tenant
- Obtained a complete defense verdict and attorneys' fees and costs in a multi-million dollar real property lawsuit brought by an adjoining landowner
- In a landmark case before the Ninth Circuit, the Court adopted the "Birthday Rule" for the coordination of benefits and awarded client hundreds of thousands of dollars in benefits, plus attorneys' fees and all costs and expenses
- Obtained a trial court ruling against the State of Iowa—the first law firm to do so—which overturned an administrative decision denying hundreds of thousands of dollars in reimbursement for health care services
- Obtained exemption from land use regulation for a major interstate railroad in landmark appellate case
- Successfully defended a union challenge to an employer's right to unilaterally implement changes to its disciplinary system

- Secured defense jury verdict for a large grocery store chain in an emotionally charged racial harassment, discrimination and wrongful termination case
- Secured defense jury verdict for national manufacturing corporation in multi-million dollar breach of contract and fraud case
- Secured separate defense judgments for national trucking company in cases involving race discrimination, sexual harassment and wrongful termination
- Secured defense judgments for national financial institution in cases involving wrongful foreclosure and fraud claims
- Secured injunctions for financial institutions, manufacturing and construction companies in trade secrets and unfair business practices cases
- Successfully defended a national manufacturing company and a national distributing company in separate trade secrets and unfair business practices (Business & Professions Code § 17200) litigation matters
- Represented employers in employee death and serious injury cases, and successfully litigated the reduction of Cal/OSHA penalties from serious accident-related violations to regulatory violations
- Secured a plaintiff's verdict of over \$8 million in binding arbitration in a contract dispute with a large U.S. defense contractor over a technology sale to India

FAVORABLE CLIENT SETTLEMENTS

- Obtained large multi-million dollar settlement in a trade dress and copyright infringement suit for software developer client
- Successfully settled a \$100 million construction and nuisance claim by dozens of homeowners against a national retail developer
- Obtained large stipulated judgments before trial against former City Council persons accused of accepting bribes
- Secured multi-million dollar settlement in a trademark and copyright infringement case for social networking game developer against large gaming software company
- Mediated settlement of seven construction-related lawsuits on behalf of a local school district
- Settled a complex breach of contract claim filed by a former board member against a client non-profit corporation

- Successfully settled an employer's claim for breach of a covenant-not-to-compete and theft of trade secrets case against former employees attempting to use a confidential customer list to their own advantage
- Obtained favorable settlement for large international pharmaceutical company in a nine-figure patent infringement action related to the drug quinine
