

Inland Empire Start! Heart Walk

The American Heart Association

September 26, 2009

Join us for the Inland Empire Start! Heart Walk on Saturday, September 26, 2009 at California Baptist University in Riverside from 7 a.m.-11 a.m. Get involved by fundraising and training for the 5K walk!

After the federal government, the American Heart Association is the largest funder of new research to help prevent heart disease and stroke-related death and disability. The Start! Heart Walk, is a major source of our funding for the year.
