

## Commitment to Our Community

Even as the firm's reach has stretched across the country, Gresham Savage has stayed true to its roots in Inland Southern California, giving back to the region that gave us our start and enhancing the communities we still call home.

Through financial support, pro bono legal advice and our attorneys' active involvement as either general members or serving on the respective Board of Directors, we presently support the local interests of these and other charitable organizations:

- AFA-AFSC
- American Cancer Society
- American Diabetes Association
- American Heart Association
- Arrowhead United Way
- Bonnes Meres Auxiliary
- Cal Baptist University
- Cal State University San Bernardino
